## School News

If you would like more information regarding the options for depositing money into a student's meal account, there is a new button on the Food Service page of the District website that explains this in detail.

The online payment system that we use has changed its name from Meal Pay Plus to My PaymentsPlus. All existing accounts will seamlessly rollover to the new site. The link on the District website will connect to the new site.

Applications for free and reduced lunch are accepted at any time during the year. If the family's income decreases, you are encouraged to fill out a new application. Please call Edd Farmer at 844-8694 ext 4206 if you have questions.
