What is included in school lunch?

School lunch includes one entrée, two sides (including vegetables and fruits), and milk. Students may take all four components of the meal but must take at least three. One of the three must be a vegetable or fruit. The menu is subject to change. This institution is an equal opportunity provider and employer.

What does school lunch cost?

All schools in the Dryden Central School District will be eligible to receive a free healthy breakfast & lunch at no cost.

What other options are available?

In addition to the featured entrée at breakfast, we also offer local bagels from Bagelovers with cream cheese and vanilla yogurt. There are salad bars in the Middle & High School with fresh fruit, vegetables, and grains available daily. The salad bar is also available as a daily entrée option.
